

Product Description

---Shenzhen Jinengu Optoelectronic Technol  Powered by GongChang.com

High efficiency solar panel

Created Date:2013-05-08

Posted Date : 2010-03-30
Expiry Date : 2010-09-26
Min. Order Quantity : 1 Piece(s)
Price Term : FOB
Port : Shenzhen
Price : Negotiable
Payment Terms : L/C, T/T, Western Union
Delivery Time : Depends on quantity
Packaging Details : carton

Brief Product Description

No information has been provided.

Product Attributes

Place of Origin	Guangdong China (Mainland)
Material	Monocrystalline Silicon
Brand Name	JNG
Size	1580*808*50mm
Number of Cells	72
Certification	TUV,CE, ROHS
Frame	Galvanized Aluminum
Glass	low iron tempered glass
Junction Box	TUV certificated
Max. Power	185W

Detailed Product Description

Solar panel specification: Electrical Characteristics TypeJNG-72175JNG-72180JNG-72185Maximum Power (W)175W180W185WCell Number72 cells in series 125*125mmWeight(kg)15.5kgDimension(mm)1580*808*50mmOpen Circuit Voltage (V)44.2544.644.6Short Circuit Current (A)5.55.615.8Maximum Power Voltage (V)36.2436.336.3Maximum Power Current (A)4.834.955.09 We adopt high-efficiency solar cell ensures high performance of solar module and create more power in peak hours.Anti-reflecting coating and high-transmission rate glass increase the power output and mechanical strength of solar module.Torsion and corrosion-resistant anodized frame ensures dependable performance, even through harsh weather conditions.

Company Profile

Shenzhen Jinengu Optoelectronic Technology Co., Ltd. is located in Shenzhen, Guangdong, China, and is one of the professional companies in designing, manufacturing and marketing solar panels (mono and poly crystal silicon), solar modules 5W~240W, solar PV generation systems, solar mobile power, solar chargers, solar street lights and solar flashlights.

We have a professional R&D team and advanced testing and inspection equipment. These make us provide qualified and competitive products.

We accept OEM/ODM orders for all our product lines. Buyer's logo and design services are also available. We have R&D department to support and can supply products according to your designs and requirements.

Product Description

---Shenzhen Jinengu Optoelectronic Technol  Powered by GongChang.com

We welcome you to visit our factory and are sincerely looking forward to cooperating with customers from all over the world.
