

Juno Series Clamp Holder Roof Mounting

Features and benefits

- Specialized for different types of standing seam roof.
- No roof penetration, no problem in leaking proof.
- High holding forces with stainless steel screws.
- Price advantage due to high flexibility and easy mounting.

Specification

AL-4040-023
T type bracket
Aluminum alloy
(6005-T5)

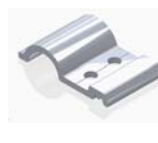

AL-4040-022
Z type bracket
Aluminum alloy
(6005-T5)

AL-4040-005
μ type bracket
Aluminum alloy
(6005-T5)

AL-4040-006
μ type bracket
Aluminum alloy
(6005-T5)

AL-5060-002
Clamp holder
Aluminum alloy
(6005-T5)

AL-5060-001
Rail connector
Aluminum alloy
(6005-T5)

AL-4040-007
Aluminum extrusion tube
Aluminum alloy
(6005-T5)
