

Hercules series Ground(Farm) Mounting

Features and benefits

- The product is suitable for power plants, easy to install with RC foundation piles or anchors structure.
- Large span designation between extrusion tube and the foundation pile, save install wages.
- The main extrusion tube and cross tube used in connectors, easy installation.

Specification

MB-KM-14
Cross connector
Aluminum alloy
(6005-T5)

AL-4040-025
T type connect piece
Aluminum alloy
(6005-T5)

AL-4040-023
T type bracket
Aluminum alloy
(6005-T5)

AL-4040-022
Z type bracket
Aluminum alloy
