

## SOLAR CARPORT MOUNTING SYSTEM

Web: [www.emperysolar.com](http://www.emperysolar.com)

### COMPONENTS:

1 Pre-assembly Bracket

2 Beam Rail

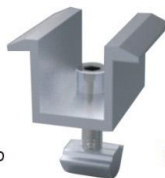

3 Rail 7#

4 R7 Rail Connector

5 Heavy End Clamp

6 End Clamp

7 Mid Clamp

### TECHNICAL INFORMATION

Foundation	Ground screw/Concrete
MAX Wind Speed	60m/s
Snow Load	1.4KN/m <sup>2</sup>
Tilt Angle	0° -20°
Waterproof	Yes/No
Material	AL6005-T5 & SUS304
Standard	AS/NZS 1170,SGS

10 YEAR  
WARRANTY

20 YEAR  
DURATION

## BENEFITS

### Easy Installation:

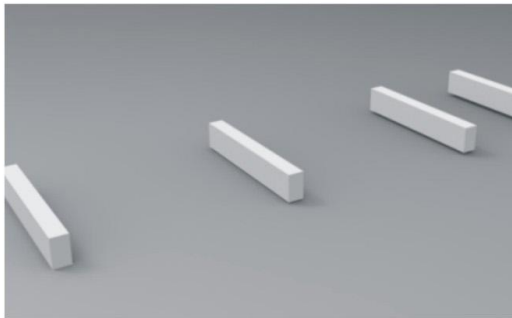

Parts are high pre-assembled in factory

### Safety and Reliability:

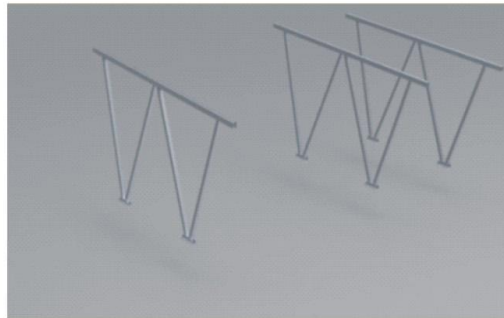

Check and Test the structure strictly

### Flexibility and Adjustable:

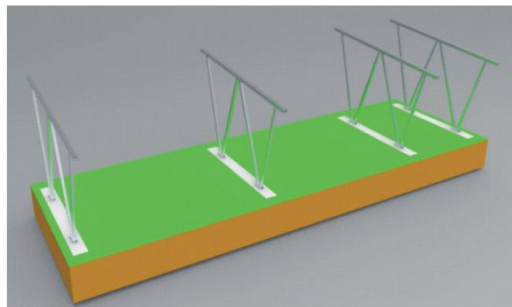

Smart design reduce the installation difficulty

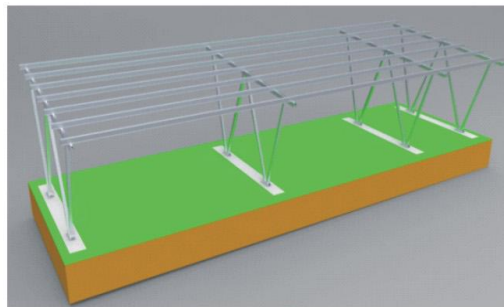

1 Embedded Concrete Pier Foundation

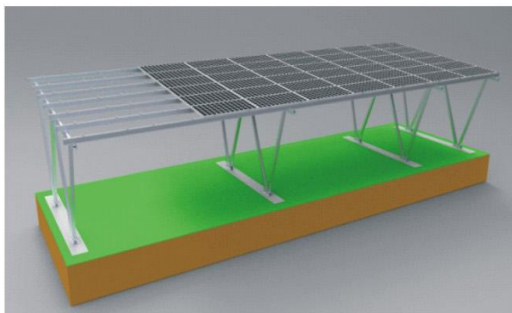

2 Fixed Pre-assembly Bracket and Beam Rail

3 Fixed on the Foundation

4 Install Rail

5 Install Solar Components
