Address: No. 604, Shishi Road, Baoan, Shenzhen

8KW off-grid system configuration

Serial number	Product name	Specs	Units	Quantity
1	Solar Panel	Mono 250W	piece	24
2	Soalr inverter	48V 8KW	pcs	1
3	MPPT solar controller	48V 120A	pcs	
4	Lead-acid Battery	12V 200AH	pcs	20
5	DC cable connector	MC4 and PV4	set	1

Specification				
Peak load power	8000W			
Load operating voltage	AC 220V	Load daily Working time	8hours	
Load operating voltage properties	AC 220V	Load and startup rate	65%	
System DC voltage	DC 48V	Lead-acid battery	12V/200AH	
System use poster height	2000M Below	Warranty time	1 year	
System operating temperature	0-50 Degree	Payment term	50% Deposit advance and 50% Balance before loading	
		Quote date	2020/3/10	
Annual average sunshine of the installation site	6hours	System	Including solar panels, inverter control integrated machine, lead-acid battery, auxiliary materials bracket, (no installation)	
FOB Shenzhen price	7600USD/Set
