

# Energy Storage System

## Power Link 1- High Voltage ESS

### Product Specifications

Technical Parameters	
Number of power modules	2~8
Typical capacity(Ah)	50Ah
Total energy (kWh)	5.12~20.96
Nominal voltage(V)	102.4~409.6
Continuous discharge power(kW)	5~20
InstallationFloor	mounted
Operating temperature (Charging)	0°C~55°C
Operating temperature (Discharging)	-20°C~55°C
Relative humidity	5%~95%
Cooling	Natural convection
Protection rating	Ip65
Noise emission	≤40dB
Dimension (W*H*Dmm)	525*865*180~525*2445*180
Weight(Kg)	100~295
