

# Product Characteristics

Brand	sungeb
Type	Monocrystalline component
Working voltage	22 (V)
Open circuit voltage	21.6 (V)
Working current	9.09A
Product certification	ROHS PE PSE CE
Working temperature	-10-65°
Batteries	American sunpower
Conversion efficiency	23.50%
Power	200W
Power tolerance	±5%
Cell	high efficiency monocrystalline
Quantity	36pcs
Product size	675*1515*2.5mm
Product weight	2.95kg
Waterproof grade	IP65
