

Household energy storage battery

Energy storage battery module

Customized rack battery

Wall mounted battery

Integrated energy storage system

It is widely used in home energy storage, solar energy storage system, wind solar complementary system and other fields.

Energy storage battery module

Customized rack battery

Wall mounted battery

Integrated energy storage system

48V200AH

- Customizable
- 10-Year design life
- Paralleable
- 6000 Cycles
- Easy installation
- Pollution-free

Model :	HJ-48200
Battery type :	Lithium iron phosphate battery
Design life / Cycle life :	10-year design life / 6000 times
Standard voltage :	48V
Standard capacity :	200Ah
Battery assembly method :	15S1P
Charging cut-off voltage :	54.75V
Discharge cut-off voltage :	37.5V
Display:	LCD display (optional)
Net weight of battery pack:	80KG
Size (L*W*H) :	482*592.5*236.4mm
