

ITEM	SPECIFICATION
Compliance grade	JCS 4348
Rated voltage	600V
Operating temperature range	Maximum allowable conductor temperature: 90°C
Minimum bending radius	15 x Cable outer diameter
Flame retardancy grade	JIS C 3005
Environmentally friendly	RoHS compliant product
Shape types	Circular compression
Suitable cable cross section	Suitable cable cross-sections: 60, 100, 150, 200, 250, 325 mm ²
