THE CHOICE FOR PERFORMANCE

THMS1500

MODIFIED SINE WAVE INVERTER

THOR inverters have set the standard with the way you deal with your mobile power needs, providing AC electricity. A power inverter converts the DC electricity from batteries into everyday AC power.

With a THOR inverter you won't need to rely on a generator to have power for tools, electronics or any AC power needs. THOR inverters are efficient and dependable and come in numerous sizes and power ranges to meet your mobile power demands.
