

## 2.9 QMS Aluminum Ground Mounting System II

### Feature

1. Only bolt connection between leg & beam for easier installation.
2. New T-nuts design to enable panel installation by one person and save the labor cost.
3. Wind load <math>\leq 42\text{m/s}</math>, Snow load <math>\leq 70\text{CM}</math> (<math>\leq 50\text{cm}</math> for snowy regions).
4. Front-leg-free solution recommended for ground clearance less than 500mm.

### Specification

**Tilt Angle:**  $0^\circ - 45^\circ$

**Wind Load:**  $42\text{m/s}$

**Snow Load:**  $1.4\text{KN/m}^2$

### Component

① GM-AG2-S

② GM-AG2-B01

② GM-AG2-B02

③ GM-AG2-ST

④ GM-R21

⑤ GM-BR-01-Q

⑥ GM-AG2-M12X85

⑦ GM-AG1-FS
